Thanks very much Steven and Andre. I am copying Romie and Christina Cheng since they have been coordinating on this as well.

Hey Nicole – as I mentioned, I will be leaving the office around 1pm on Thursday and not able to participate in the Ag Park video meeting with the representatives from CCAEJ. I should be able to greet Penny and the others from CCAEJ and get them settled in the video conference before I need to take off. I've asked Andre Villasenor from the SCFO to be the point of contact here in LA for the meeting just in case something comes up during the video that needs attention from our end. Andre's phone number is 213-244-1813. He'll not be sitting in on the meeting but I'll introduce him to Penny and make sure they know where to find him in case there are any issues.

Steven
